CHILD EDUCATION SOCIETY

The Apex Body of BalBharati Public Schools

हंसोनयतुनः प्रज्ञामGive us the wisdom and the ability to comprehend

The Child Education Society, the apex body of Bal Bharati Public Schools and other institutions of Higher Education, was set up in the year 1944 during the pre-independence era when the elders thought that Indian Culture, Heritage, Tradition and Ethos must be preserved and in order to achieve these objectives, it became obligatory for the Society to educate the young people. Thus, the Society was registered under the Societies Act, 1860.

The Society's educational philosophy is based on a progressive focused outlook that provides quality education rooted in the country's rich cultural background, offering opportunities for the development of different facets of a child's personality, particularly that of nobility of character.

Today the affairs of the Society are managed by the Board of Management consisting of eminent educationists and social workers. Sh L R Channa, an eminent Philanthropist is the President of the Society. Under his dynamic leadership the pace of expansion has greatly quickened in the recent years going up from just one school and one institution (NTTI)till 1984 to as many as 3 Institutes, 12 Core Schools 7 Project Schools in collaboration with the Railways and the NTPC and 2 Partnership Schools.

His indefatigable commitment to his three pronged motto of striving for 'Better and Better', 'Service' and 'Looking for Solutions instead of Excuses' is the driving force that has given our schools a special niche of their own. Bal Bharati Public Schools are comprehensive, Co-Educational English Medium Schools. Hindi enjoys its pride of place as the National Language in its curriculum.

BAL BHARATI PUBLIC SCHOOL, MANESAR

The Institution

The need for opening a school was felt at IMT Manesar when a huge Industrial Complex was set up by HSIIDC recently, resulting in the demand for a good educational institution in the vicinity.
