Ms. Romika (XI and XII)- 9560460062

Thanks and Regards

Mr. Harsh Kumar
Principal

CONSENT FORM

Dear parents

We hope all of you are in the best of your health

Examinations are not only a test of intelligence, it is also a test of independence and confidence to see beyond the tough questions and education is an important tool for breeding that confidence, hope and peace to see beyond the dimensions of our mind and be creative.

The Covid has severely affected & hampered the regular routine of ours, specially our children. It is high time we face reality & get along with life and accept the new normal.

CBSE is going ahead with pen & paper exams for Board examinations- 2021 and they are likely to be held as per schedule. Education Department has also directed to open schools for Classes IX - XII.

We as parents and school have to be extra cautious to ensure that the children abide by all the safety precautions and guidelines shared below

- a) If your ward is suffering from Cold, Cough & Fever then don't send them to attend the school.
- b) There should be no Covid positive case in your family, If there is one, then please do not send your ward to the school.
- c) As parents please ensure to guide your child to wear Mask always in the school premises, bring their own water bottles and not to share anything like stationery or any other object with anyone.
- d) Keeping in mind the safety of our children and staff members we are also taking necessary measures like -a thorough screening of every child, teacher and other employees will be done at the school entrance by the school staff to make sure that no person is infected and they would also certify the consent form shared by parents, that their ward doesn't have any Covid symptoms before the child enters into the school premises.
- e) We will ensure social distancing and not let the students mingle or converge in congested places.
- f) For the safety of our children we are not continuing with the transportation facility, as for now parents have to make arrangements to pick up and drop their ward from school .

With due precautions, we as parents and school would be able to provide necessary guidance and conduct Exams to ensure that children are ready to appear for their CBSE Board Exams 2020-2021

With warm regards

Harsh Kumar

Principal

CONSENT FORM
