CIRCULAR

Dear Parent

We all are aware that in the last few days the new strain of covid has increased the number of cases significantly. We received a number of calls from the parent body to shift to online mode of classes. Keeping the word of parents and the health and well being of our students in mind, the school authority has decided to conduct classes on the google meet platform for grades 9th ,10th and 12th for the academic session 2021-22 till 16th April, 2021.

We are monitoring the situation closely and will keep you informed in case of any further development.

We are thankful for your trust and support in these unpredictable times. We also assure you, that all the topics will be covered in elaborate manner during online classes and we will specifically emphasize on academics when physical classes resume.

Thanks and Regards

Harsh Kumar

Principal
