**“Learning is the only thing the mind never exhausts
Never fears and never regrets”**

Dear Parent

Learning is an inevitable part of a student’s life, continued and comprehensive education is a vital aspect in the holistic development of the child.

With this we are glad to inform you all that we are starting the new session of class XI (2021-2022) from May 5,2021(i.e., Wednesday). The stream allocation process for the same has been done. Keeping in mind the situation we would be starting off the classes though online mode only. The timetable along with the link for the same will be shared soon.

To instil a spirit of motivation and learning our experienced team of counsellors will be taking an orientation session with all the students of class X on May 3,2021 at 1:00 PM. The link for joining the session has been shared below.
