## *"RETELL THE TALE"*

Dear Students ,

Date: 24/12/2021

The exciting Winter Vacation is around the corner and it is a wonderful time to catch up with some extra reading. Books are a very rich source of information. Reading helps you grow mentally, emotionally, and psychologically. Every book provides you an opportunity to learn and explore new ideas.

*"Keep reading."*

*"It's one of the most marvellous adventures anyone can have."*

Select any book of the authors, listed below, as per your class. Read the book very carefully and be ready for an Intra class activity after the break.

Class VI - *Ruskin Bond*

Class VII - *Sudha Murthy*

Class VIII - *Charles Dickens*

*"RETELL THE TALE"*, an Intra class activity will be conducted for the classes VI-VIII after the winter break wherein the students will retell the story in their own words.

### **Strategies to retell a story:**

- Presence of the main characters
- Defining characteristics of the characters
- Problem presented in the story
- Solution to that problem (or the end)
- Events presented in sequential order
- Ability to include only those events important to the story and exclude unimportant events

### **Note:**

- It is advisable not to read the book online in order to minimise the screen time.
- Time limit for retelling the story will be 2-3 minutes.

*MAY THE NEW YEAR BRING YOU HAPPINESS, PEACE AND PROSPERITY....*

## **WISHING YOU A JOYOUS 2022!**
