Dear Parents
Greetings!

The orientation session that was planned from April 11th to 13th ,2022 will not be physically held in school due to the unavailability of the Principal and some key members of the Administrative and Academic Department, as they are required to go to Panchkula to complete some important CBSE related work on an urgent basis. The orientation PPT will be shared with you through mail although all the important details have already been shared with you. In case you have any specific query please get in touch with the respective coordinator/ class teacher.

Thanks and Regards
