Date: 11/07/2022

Dear Parent

“When we plant trees, we plant the seeds of Peace and Hope.”

Every year Bal Bharati Public School, Manesar, takes the initiative to observe an Environment Week in order to celebrate the onset of monsoon season. It is a pleasure for us to share with you all that this year, too, we are privileged to take up this programme under the robust guidance of Colonel Gulati and Mr. H.C. Sharma.

With an aim to involve and sensitise our students towards the importance of tree plantation for a greener and healthier Earth, we expect all the students of Class VII & VIII to actively participate in the ‘Tree Plantation Drive’ in the surrounding vicinity of the school. The programme has been scheduled on **18th and 19th for Class VIII** and **20th & 21st for Class VII** from 7.30 am -8.30 am. Teachers will be accompanying the students to have a smooth conduction of the programme.

Normal classes will follow after the completion of the programme.

You are requested to provide your consent so that your ward can successfully participate in the programme.

Let’s protect the planet and go green to save our environment.

Thanks and Regards

Ms. Akanksha S. Setia
(Vice Principal)

Mr. Harsh Kumar
(Principal)
