Activity name: Beat the Heat - Summer cooler drink

Class: PS and PP

Date: May 2022

Description:

Children will explore a new recipe using Roohafza, lemon and mint leaves.

BBPS Manesar, conducted lemonade making activity for the tiny tots to beat the heat.

Children will explore a new recipe using Roohafza, lemon and mint leaves.

The objective of the activity was to develop their fine motor skills by engaging children in the activity to promote the acquisition of the princer grip and eye- hand coordination. It was pure fun for the children to prepare lemonade independently.

Glimpses:
