Activity name: CLIMATE CALL

Class: VII

Date: 13.5.22

Description:

“Climate change is real. It is happening right now, it is the most urgent threat facing our entire species and we need to work collectively together and stop procrastinating.” To spread awareness among the students, regarding climate change and to improve their auditory skills, an activity was conducted with the students of class VII. They were instructed to listen a song.- “Don’t kill the World” by Boney M <https://www.youtube.com/watch?v=7F-oDpsJ-xY> & depict the essence of the song in the poster.
