

Bal Bharati PUBLIC SCHOOL M A N E S A R

Activity name: Concours des belle histoire

Class: VII

Date: 10.8.22

Description:

Learning the different components of a language is one thing, but being able to put those components together into meaningful conversations is the real task. With this in mind, the students of class VII were assigned a few stories and asked to present it in French. The students were encouraged to be creative with their narration. All the students put their creative foot forward and presented mesmerising solo as well as group acts. The overall objective of the activity was to learn how to use the language more effectively and develop their communication skills. This activity gave the students an opportunity to practice all their skills of reading, listening, writing and speaking in a fun and interesting way.
