

Bal Bharati PUBLIC SCHOOL M A N E S A R

Activity name: The Mysterious Moon

Class: III - V

Date: 18 November 2022

Description - Space Explorers hosted a workshop on "The Mysterious Moon" on 19th November, 2022 for classes III to V.

The workshop started with a Power Point Presentation in which they discussed luminous and non-luminous objects, properties of light and phases of the moon.

Students were given a hands-on activity on "Different Phases of the Moon".

The workshop was very informative and worthwhile. Children enjoyed and learned about the moon.
