M A N E S A R

**Activity name: Transport Museum Excursion**

**Class: III**

**Date: 9<sup>th</sup> November**

**Description:** Excursions support the idea that in order to prepare students effectively for life, we need to give them memorable experiences such as school trips.

Grade 3 students went to Heritage Transport Museum, where they learnt about different means of transport and how the modes have evolved over the years.

Students were very excited to learn about the wheel and the developments making it possible to visit every corner of the world.

For the students, the visit was enjoyable, educational, and rewarding.
