

Bal Bharati PUBLIC SCHOOL M A N E S A R

Activity name:

Class: V

Date: 22nd Dec.2022

Description:

India observes National Mathematics Day every year on December 22 as a tribute to the legendary Indian mathematician Srinivasa Ramanujan. People remember his contributions to the field of mathematics on this day, and it is also a day which helps us to reflect on the importance of mathematics in our daily lives.

To celebrate National Mathematics Day, here in Bal Bharati Public School, Manesar, an activity 'Mathematical Maze' was organised for students of class 5. Students created Mathematical Maze on different concepts like decimals, fractions, factors and multiples etc and gave one minute presentation about it. They also solved Maze of each other and had great fun.
