

Activity name: Factor Flowers

Class: 4th

Date: 15.12.22

Description:

Activity of the month is 'Factor Flower'.

Students will be asked to create a landscape garden on A4sheet having 6 flowers.

Few numbers will be announced and ask them to fill these numbers at the centre of each flower.

Student will be asked to find out the factors of each centered number and fill each flower's petals with the coming factors.
