**Activity name: MY WISH – FUTURISTIC VISION OF INDIA IN 2030**

**Class: III**

**Date: 30 JANUARY.23**

## **Description:Activity**

Activity of the month January is conducted by the students of class III based on Artificial Intelligence. Students used a web based tool AutoDraw that pairs machine learning with drawings to create various images showing Futuristic Vision of India in 2030. Children came up with many aesthetic creations and enjoyed learning to work on AutoDraw.
