Activity name: PODCAST

Class: IV

Date: 31-01-23

Description:

Activity of the month for January was conducted by the students of class IV "Podcast." Students actively participated in it and left everyone spellbound with their competent script preparation and portrayed their emotions and notions about their school. They shared their hanging out spots and had a lot to say about the library, laboratories, sports field etc. It will certainly go a long way in the enhancement of their long-term memory & application & develop cognitive domain.
