Workshop: ‘Futuristic Approach ’

To enlighten the students and parents and to provide coherence to them about their future prospects an interactive workshop on ‘Futuristic Approach ’ was conducted by Ms.Jyotsana Bhardwaj, Founder ,Director of Envision India for the parents and students of class X on February 20, 2023.The speaker discussed about the meaning of success and how it could be achieved. An iceberg illusion was shared by the speaker to describe the meaning of success and how to cross the barriers which comes in the way of success. The speaker explained about the concept of right brain and left brain which would help in the judgement of the behaviour of a child. The speaker also shared about how to make an effective plan to study, the importance of fixed time table & setting realistic goals, along with that the speaker shared about the importance of prioritization and learning pyramid. The speaker shared that the goals should always be specific,measurable,achievable and time bound.

The session ends up with a Q/A round between the students, parents and the speaker. Overall, the session was very interactive and knowledgeable.
