

SESSION – 2023 -24

Logbook for the month of April.

Date	Description
21st April	Earth day
	<p>The environment is where we all meet, where we all have a mutual interest; it is the one thing all of us share. Earth day celebration is an event that we celebrate every year with our tiny tots by telling them the importance of trees around us. Kids enjoyed colouring and free hand drawing in a sketch of earth. All the students were dressed up in blue colour. “Earth does not belong to us we belong to the earth.”</p>
