- Awareness about building a career in the corporate world and sharing the insights of the operations
- Sharing the insights on SUCCESS and what makes us truly successful .
- Retaining moral values while chasing a career and never giving up on integrity
- Always listening to your leaders, learning from them and growing personally.
- Probing Questions, addressing myths and discussing though provoking career awareness facts.
- Sharing real life examples and success stories to encourage the students to strive for professional fulfillment while upholding the moral compass.

## 10. Photographs of the Visit/Workshop

#### 11. Learning outcomes:

- Aligning personal and moral values with career choices to maintain ethical conduct and contribute positively to the society
- The interactive discussions allowed the audience to explore and think about their passions, values, and strengths, ultimately aiding them in gaining slight clarity towards their career paths that align with their principles.
- The real-life examples and success stories further enhanced the understanding and encouraged us to strive for professional commitment with moral values intact.
- The open dialogue about Success and Leadership, helped the students to gain more knowledge about these terms in the corporate world.

#### 12. Feedback (student /staff):

It was indeed an enriching and insightful session, that turned out to be food for thought for teachers as well. The guidance provided regarding incorporating moral values while having a successful career had a profound impact on the students.
