

Visit to District Court, Gurgaon

Report

Bal Bharati Public School, Manesar organised an educational visit to the District Court of Gurgaon for the students of humanities from class 11th and 12th. The visit was planned and headed by Mrs. Kiran Sharma ma'am.

It was a great experience as most of the students of both the classes aspire to pursue their career in the field of law and this visit helped them in gaining a lot of knowledge and exposure. The students met renowned lawyers and magistrates of the city and this helped in clearing the various doubts and issues which the students were having regarding law as a career.

I would like to thank Mrs. Kiran Sharma ma'am and the faculty of BBPS, Manesar for arranging such events for the students and constantly helping them for achieving their ultimate goal in life.
