

# SESSION – 2023 -24

## Logbook for the month of April.

Date	Description
3 <sup>rd</sup> April	Commencement of the new session.
	<p>The first day of school can be emotional time for both Parents and children, but its also a time of a new beginning, new friendship and new experiences. It was heart-warming to see parents and toddlers filled with excitement and anticipation as they embark a new journey. Many enjoyable activities and events were conducted like magic show, giant bubbles making and many more just to keep tiny tots settled and engaged, so that the joyous feeling lasts and stays with them in form of pleasant memories. Here are some wonderful clicks encapsulating their cute and memorable moments.</p>
