

Bal Bharati PUBLIC SCHOOL M A N E S A R

Activity Name: YEAR END BOOK
Class: VII
Date: 5/7/2023
Platform: <https://bookcreator.com/>

Description: Students have created fantastic Year book for younger students to capture their work across the year by using photos, text, embeds, audio and more to complete their digital Year Book. They have embedded all the memories from School, Friends, Family and Surroundings. Through this activity, they have learnt how to organise and achieved their work assignments done throughout the year. Students have also explored new software bookcreator for making beautiful scrap books, albums, diaries and story books. They have also created a library in this software where they can create their own books and share with their friends. They have also embedded voice over to enhance the book. They can also collaborate with their friends to create the books. Some of the students have published their project online too.
