Logbook for the month of April

Date	Description
24th April	<p data-bbox="323 674 1452 869"><i>Any child who is self-sufficient , who can tie his shoes, dress or undress themselves , reflects in his joy and sense of achievement , the image of human dignity , which is derived from a sense of independence__</i></p> <p data-bbox="906 875 1289 920">MARIA MONTESSORI</p> <p data-bbox="311 927 1476 1429">Water pouring is one of the early practical life activity which helps the kids learn a skill which will last long and also helps the child to become independent. Water pouring is very good for maintaining the balance, improving concentration & eye hand coordination. A small tea time activity was organized for preschoolers in which Sweet water was kept in the small kettles/ pitchers and kids poured that water in small cups to serve as tea and really enjoyed a sip of tea with their favorite cup cakes and cookies and learnt the art of pouring through role play.</p>
