### ***Trip to Jim Corbett (Girls)***

***“Travelling – it leaves you speechless, then turns you into a storyteller.”***

Excursions and Tours form an important part of educative experience. Not only do the students discover new places but also learn self-reliance and taking care of themselves. As a part of this experience, an excursion to the famous Jim Corbett National Park was organized from 29<sup>th</sup> to 31<sup>st</sup> May, 2023. A total of 40 girls from classes IX – XII, accompanied by 4 teachers went on this wonderful trip to India’s oldest National Park. The students and teachers started for the trip at about 5:00 AM in comfortable AC-Coaches. The sylvan surroundings of the Clarissa resort and the babbling brook nearby removed any vestiges of fatigue. The students relaxed in the resort for some time and left for Jim Corbett sightseeing - Kosi River, Girja temple, Corbett Museum before calling the day off. The next day, the students woke up ready to embark on the Jungle safari. Travelling in a convoy of jeeps, the students were excited to see the verdant forests all around. The excitement was palpable when the students could observe a herd of deer which was a wonderful experience of driving through the forest as they sighted different species of animals and explored the various trails of the park. The students came back on the third day with a lot of memories in their hearts.
