## PUBLIC SCHOOL

M A N E S A R

Education is the manifestation of the perfection already in man.’

- Swami Vivekananda

The New Education Policy, 2020 aims to reorient the education system of our nation and lays special focus on integrating value education as a core component in the curriculum.

Ramakrishna Mission, Delhi started Awakened Citizen Program (ACP) – a Value Education foundational program for the middle school students based on Swami Vivekananda’s idea of man-making and character-building education. It was launched in 2014 by the then Hon’ble HRD Minister Smt. Smriti Irani. The teachers are being trained by Ramakrishna Mission time to time to conduct this program successfully in their respective institutions.

This program imparts human values that are based on Swami Vivekananda’s life-giving ideas , ( self-belief, strength, freedom, mastery of senses, courage, sense of one-ness etc.) which enables human beings to realize their full potential and live in harmony with themselves and others. The program is inclusive and encourage a spirit of enquiry and search for truth.

We,at Bal Bharati,have been actively participating and running this programme,in our school, since 2014 to help our young children become awakened citizens of India and contribute for building a strong and unified nation.
