

Circular

Ref. No. BBPSMN/2023/18

Date:02.07.2023

Dear Parents and Students,

We are elated to inform you that the Bal Bharati Public School, IMT Manesar is introducing **Public Speaking, Leadership and Sustainable Development Goals (SDG) Programme** in association with Aspirant Learning (A.I.I. Learning Foundation) - India's leading institution training students in the field of SDGs, Debating and other professional development skills, awarded by Harvard Act2Impact as changemakers in the field of education. The programme will be introduced for classes 06th - 08th.

The programme includes training sessions every week on Monday for the next 3 months from industry experts who would target enhancing public speaking and leadership skills of the students while improving their knowledge about various world issues and **importance of Sustainable Development Goals (SDGs)**. The students would also get a chance to interact with and learn from industry coaches working in the field of soft skills. The training sessions for the programme are conducted in the school campus. The students at the end of the programme shall be getting an opportunity to present their learning in competitions of various kinds ranging from Quiz Tournament, Student Parliament, Debate Championship, Shark Tank etc.

The **introductory session** will take place on **3rd July 2023, Monday**. All the sessions will be conducted in your child's class itself to ensure individualized attention to every student along with student friendly methods of teaching.

Regards
BBPS,MANESAR
