

ACTIVITY	CARTOON O SUPER
CLASS	PRE PRIMARY
DATE	APRIL 2023
	<p>BBPS Manesar organized an event CARTOON O SUPER ACTIVITY for Pre- primary kids during this week. Children got into their imaginative world to become their favorite cartoon character. They dressed up as Mickey Mouse, Peppa Pig, Chota Bheem etc. and expressed so well imitating their favorite character with confidence and their faces lit up while enacting their role. Such kind of activities bring in a lot of creativity and confidence in the child. They also provide chance for parents involvement in learning and bonding with their child. Participating in such kind of activities will introduce child to develop not only their confidence but also their verbal linguistics skills. My cartoon activity was full of amazement for the children and they will cherish it for a long time.</p>
