

SESSION - 2023 -24

Logbook for the month of July

Date	Description
10th July	When Feel
	<p>In our preschool classroom, emotions run high as children laugh, cry, and experience a rollercoaster of feelings. They express joy through infectious giggles and wide smiles, bonding with their peers as they engage in creative activities. Teaching them different emotions with activities develop important skills of empathy, self-regulation, and emotional intelligence.</p>
