Let's Achieve More with EMBIBE!

Dear Parent,

Greetings from Bal Bharati Public School, Manesar

As a part of our journey to be the frontrunner in adopting cutting-edge technology and enhancing the learning experience for our students, we have partnered with Jio EMBIBE, an AI Powered EdTech platform.

Using EMBIBE Students App, students will get access to:

- Major digital textbooks mapped to the school syllabus for **Science, Mathematics and Social Science**
- All popular book questions for online practice with hints and detailed solutions
- Reference books where theory is replaced with 3D learning 3D videos of 4-6 min duration
- Subject-related interesting videos on real-life examples, experiments and do it yourself
- Students can have assignments from teachers
- **Analyse** the test feedback and identify the weak topics and incorrect attempts
- **Ask** academic doubts using AI based **Doubt Resolution Bot** anytime, anywhere
    - Say Hi on 🟢 8088800148

Using EMBIBE Teachers Platform, school teachers will:

- **Teach** using 3D models, interactive quizzes, text book questions and 3D videos
- **Assign** AI based personalised homework
- **Assign** homework from the reference book and other popular books

Using EMBIBE Parents App, parents will:

- **Track** students' activities like videos watched, practice questions attempted and tests completed
- **Assign** tests and personalised homework based on the student's weaknesses

We would request you to encourage students to log in to the EMBIBE's Student App and download EMBIBE's Parent App to monitor your child's activities, provide personalised attention and ensure that your child is on the right track.

Please turn overleaf for your guide to EMBIBE's Student and Parent Apps.

Best Regards
