REPORT

Class Activity:- 'Preserve, Protect and Prosper- A Creative Conservation'
Topic: National Conservation Day.

1. Date - 28 th July,2023
2. Venue: Class IX-A
3. Purpose :- The purpose of this activity was to engage participants in the importance of conservation and to foster creativity in promoting the message of conservation.
4. Organizer:- Bal Bharati Public School
5. Teacher in charge:- Ms. Madhurima Saigal.

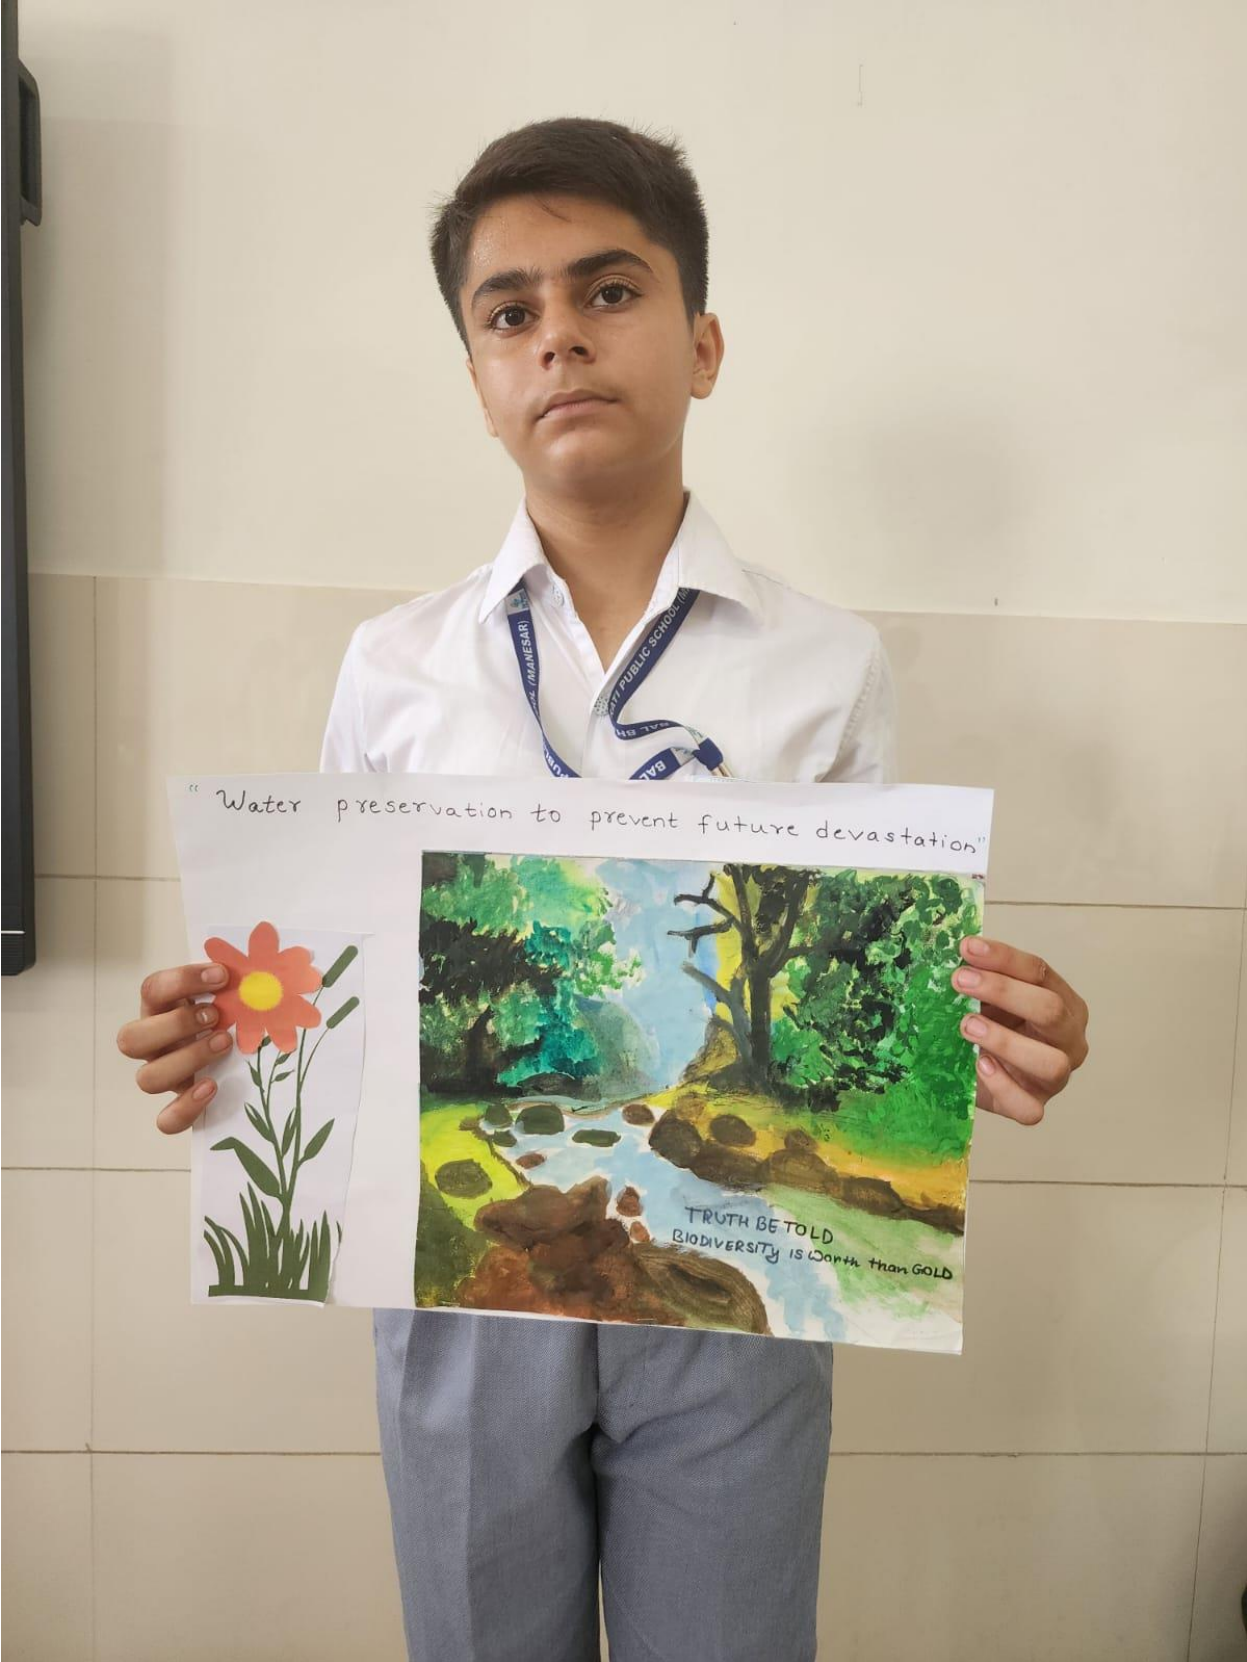

Description:-

A fun and interactive slogan writing activity was done in Grade IX to commemorate National Conservation Day. During the activity, participants were divided into groups or pairs. They were encouraged to brainstorm ideas related to conservation and National Conservation Day. The participants came up with various slogans that encompassed themes like preserving nature, protecting wildlife, and reducing waste. The participants demonstrated impressive creativity as they developed slogans that were catchy, memorable, and impactful. This allowed for lively discussions and feedback on the effectiveness of each slogan in conveying the conservation message.

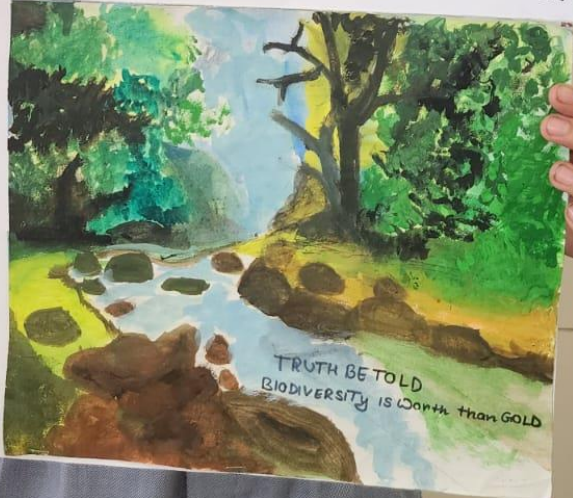

The slogan writing activity proved to be a great success, as it not only engaged participants in thinking about conservation but also highlighted the importance of celebrating and promoting National Conservation Day.

Overall, the slogan writing activity fostered a sense of creativity and enthusiasm among participants and successfully raised awareness about the significance of conservation, ensuring a brighter and greener future for all.

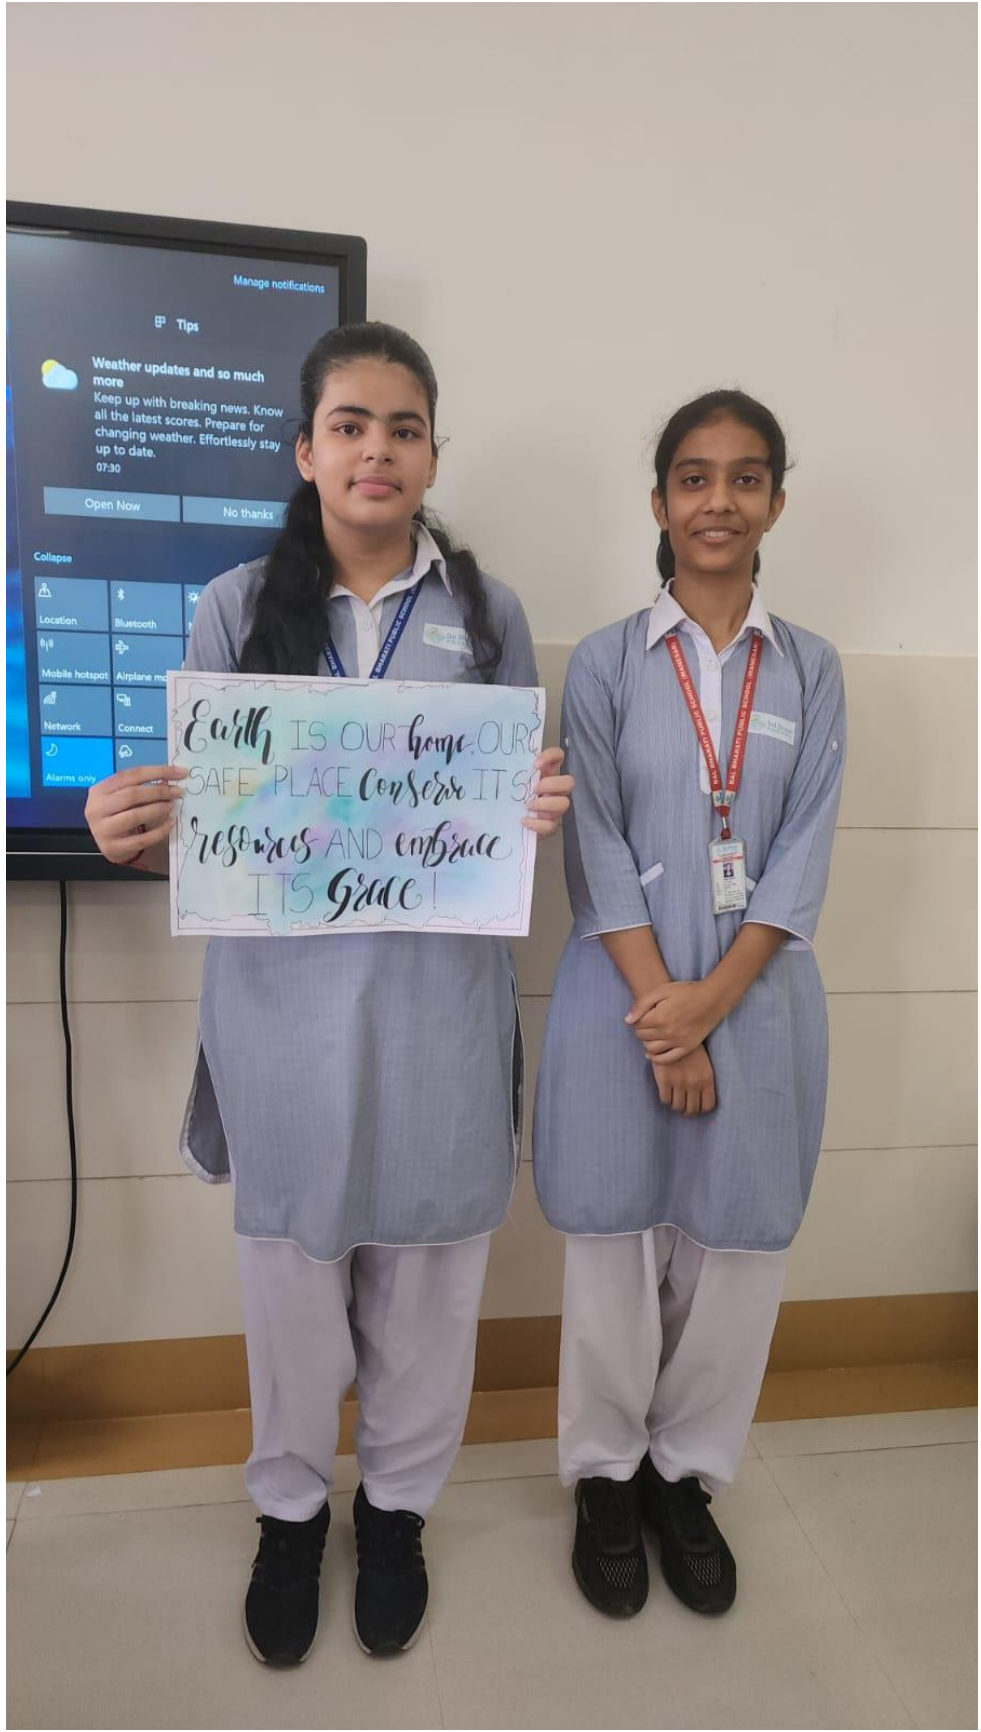

GLIMPSES:-

"Water preservation to prevent future devastation"

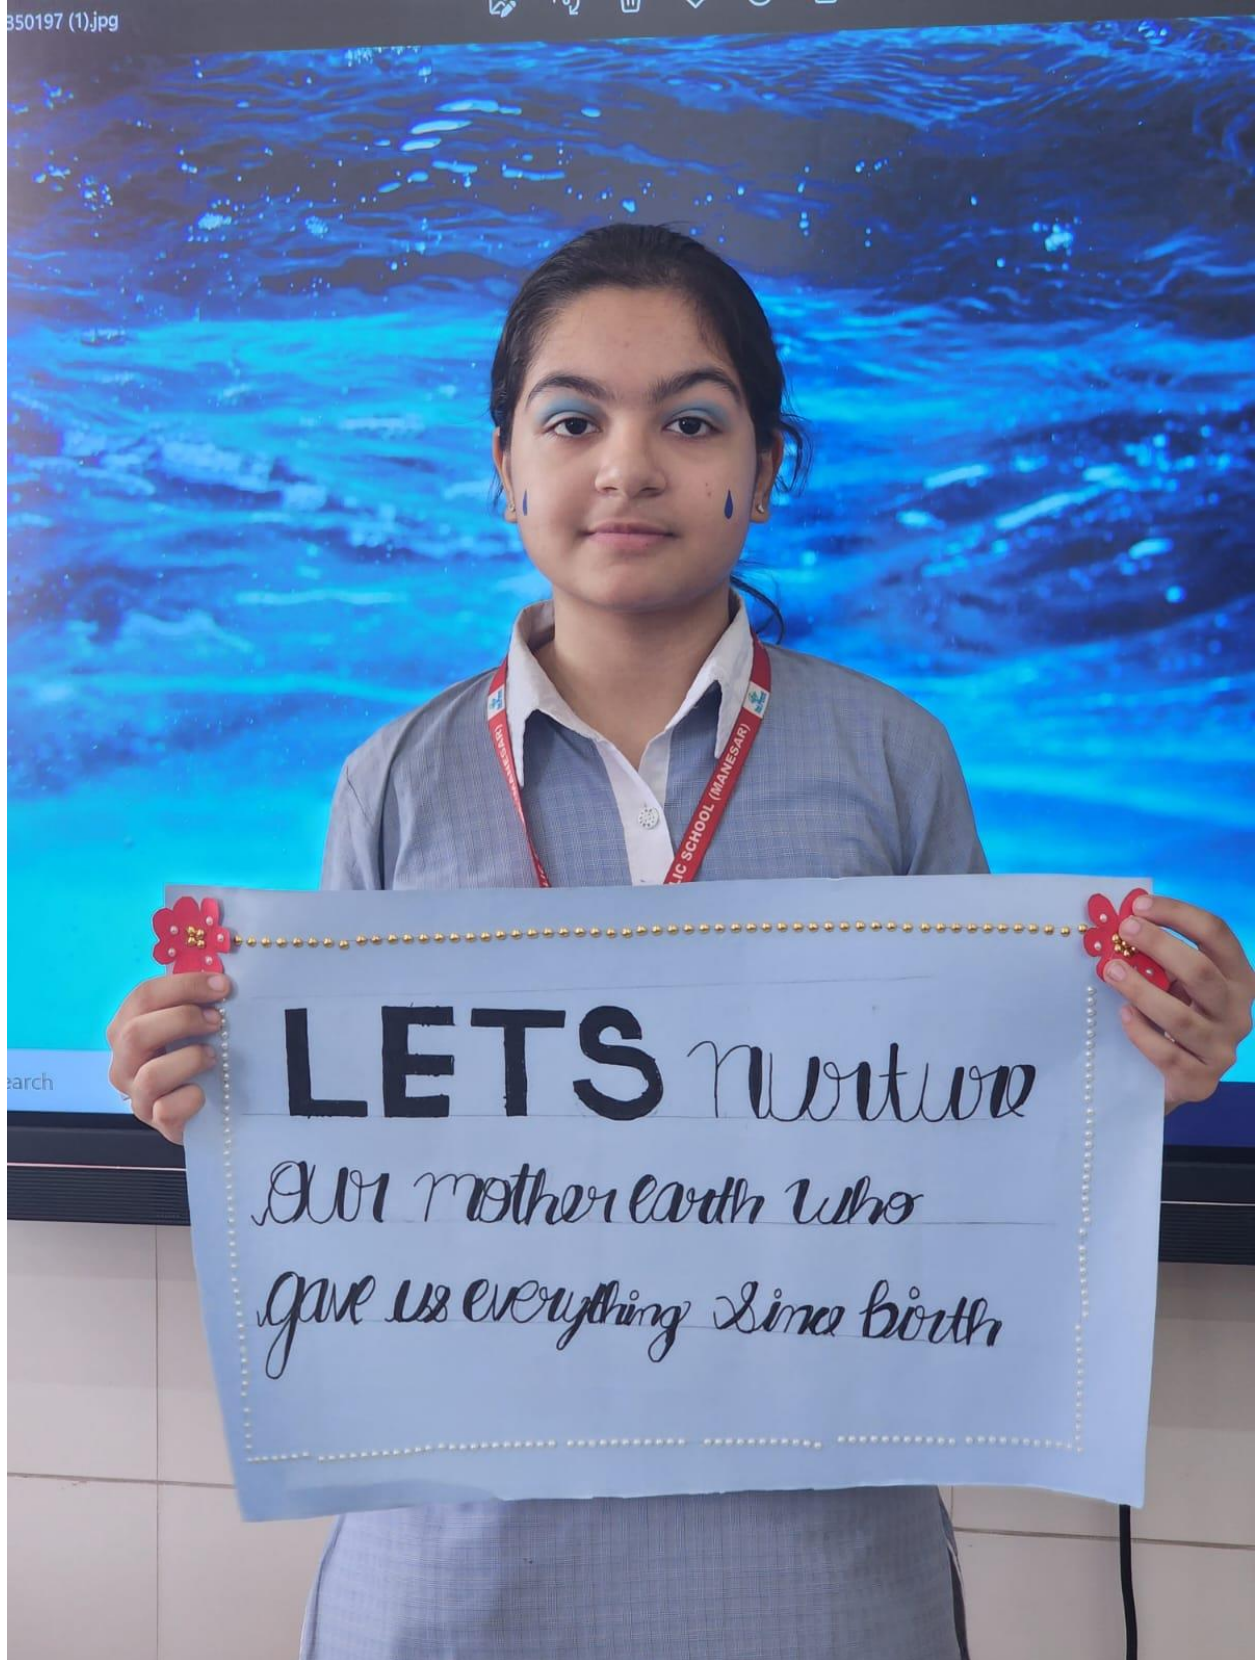

TRUTH BE TOLD
Biodiversity is Worth than GOLD

Earth IS OUR home. OUR
SAFE PLACE Conserve IT'S
resources AND embrace
IT'S Grace!

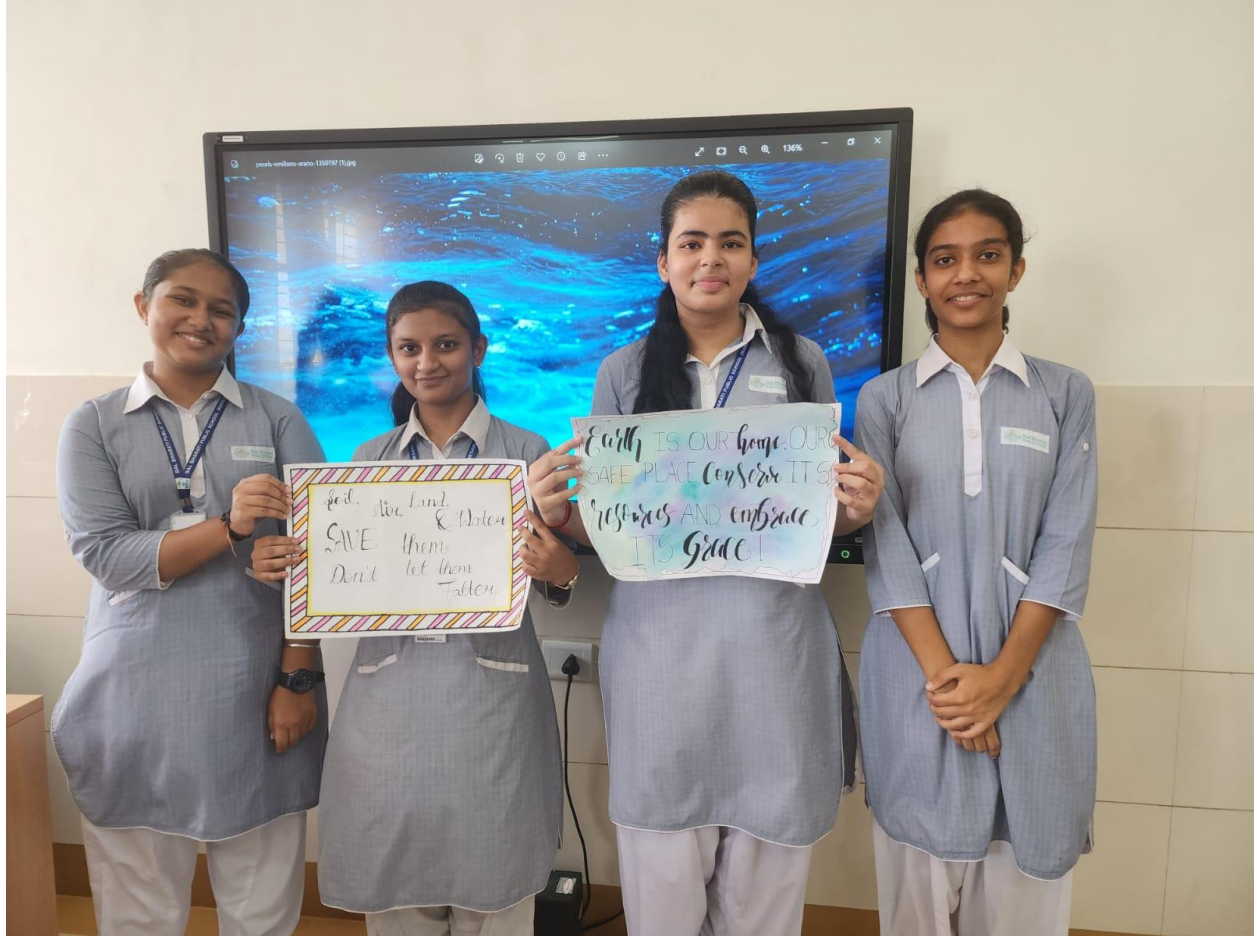

LETS nurture

our mother earth who

gave us everything since birth

LET'S nurture
Our mother earth who
give us everything since birth
