

CLASS 1 – GRACIAS E SOLDADO

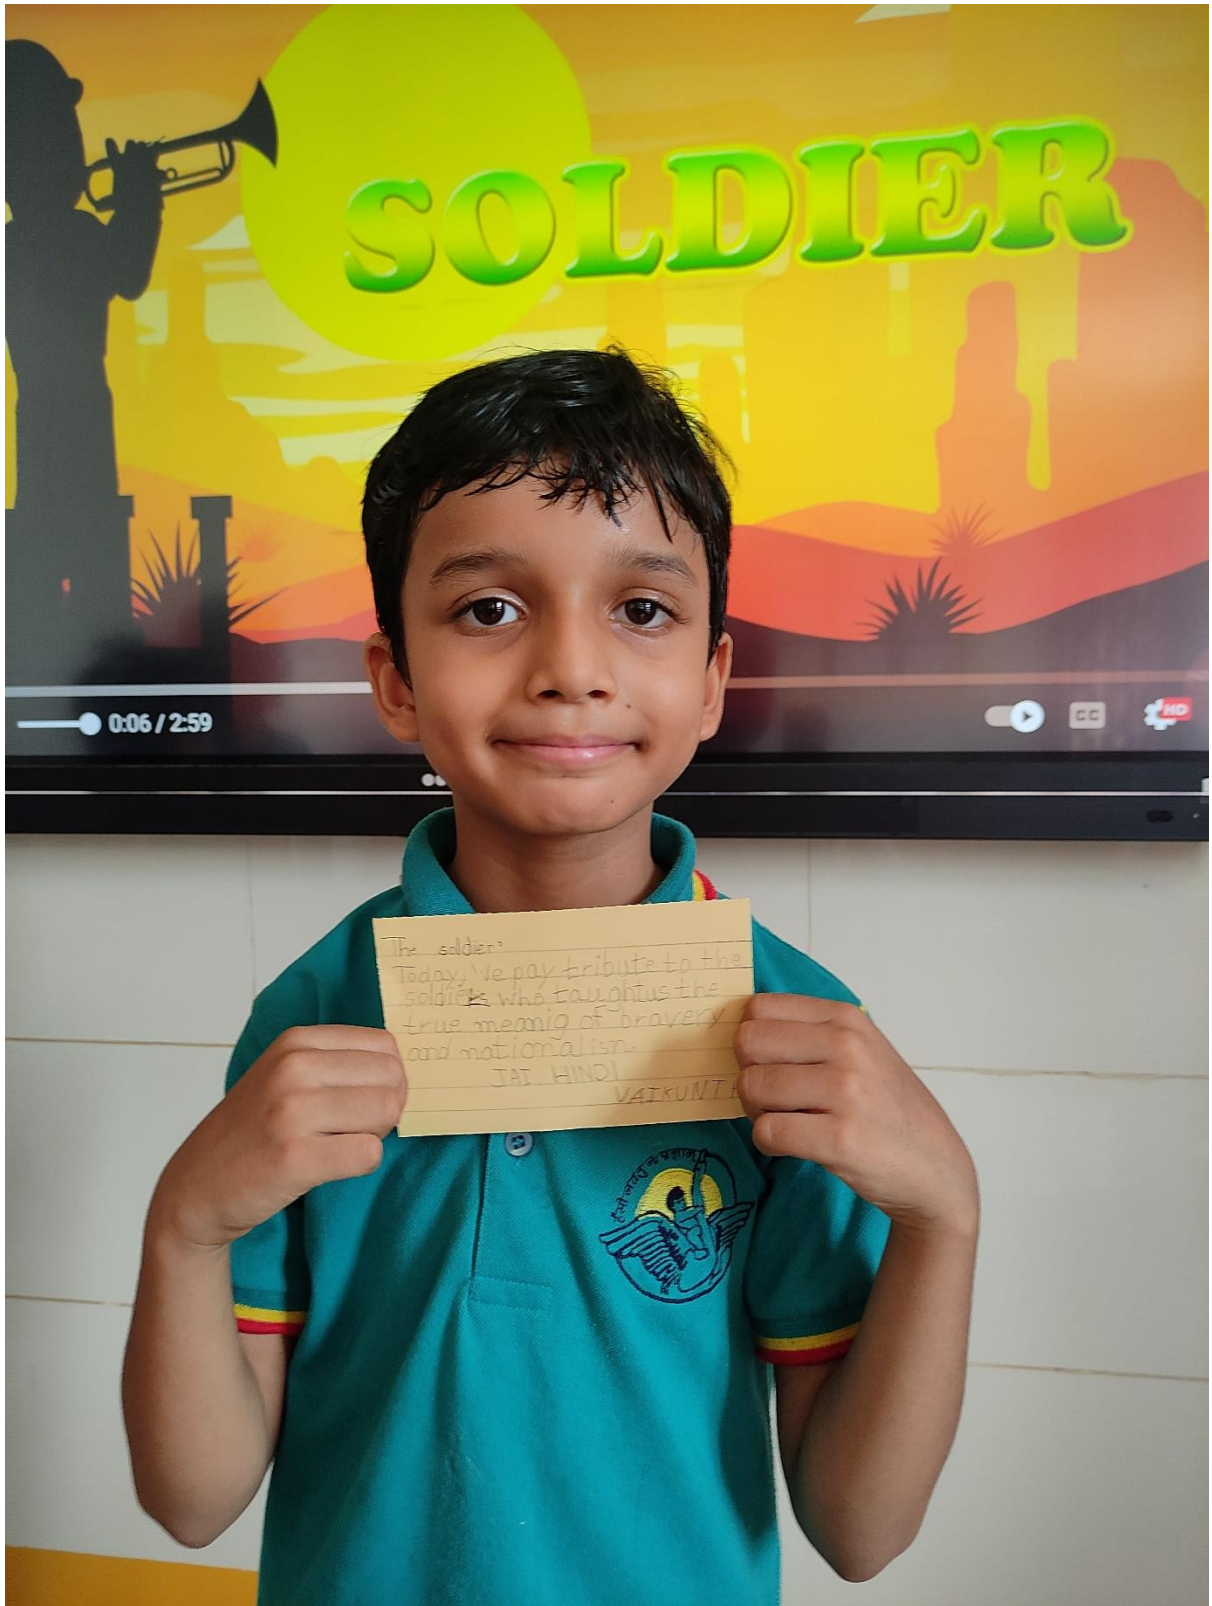

Class 1 undertook a touching activity to honour Indian soldiers by crafting postcards with heartfelt notes. They also learned the art of addressing and visited a post office to grasp the process of sending mail. Through this experience, the children not only imbibed a sense of patriotism but also developed an appreciation for the nation's defenders.

The soldier
Today, we pay tribute to the
soldiers who taught us the
true meaning of bravery
and nationalism.
