## ANNUAL CLASS PRESENTATION

### *The Star Child* By Oscar Wilde

**Dear Parents**

**Greetings!**

We're thrilled to welcome you to witness our students' remarkable talents and confidence during their Class presentation. This platform, crafted by dedicated educators, aims to enhance our students' skills and harmonize their wisdom, creating a unique blend of learning.

“The Star-Child” is a play by Oscar Wilde, where a young boy, possesses a beauty that sets him apart from others. Despite his outward beauty, he lacks inner kindness and humility. Throughout the story, he faces various challenges that eventually teach him the importance of empathy, humility, and kindness. The play serves as a powerful lesson, emphasizing the moral values of compassion and understanding. Through this performance, the Class VIII students aim to convey the profound message of embracing humility and kindness, showcasing the transformative power of these virtues in one's life.

You're warmly invited to this power-packed demonstration on **Saturday, November 4<sup>th</sup>, 2023**, at our school premises, appreciating your ward's efforts and encouraging their future performances.

**The program starts at 10:00 a.m. onwards. You are requested to be seated by 9:45 a.m.**

*Your presence will illuminate the event, making it not just a success but a cherished memory for our students. Thank you for being a beacon of encouragement in their inspiring journey.*

**Regards**
