Dear Parents

Bal Bharati Public School, firmly believes in building a strong culture of parent-school engagement. A combined effort between parents and school ensures better results in the growth of the child. When children feel they are cared for and supported by both key players (parents and teachers) in their education, their self-esteem or self-worth improves. For this purpose, the school is organizing a session of **Coffee with Principal** for **class IV**. We hope this session will be an opportunity for us to build a positive relationship.

The date and schedule for the same will be as given below:

DATE	CLASS	TIME
7 th November 2023	IV	07:30 AM - 08:30 AM
