

## POLITICAL SCIENCE

### CLASS – 11<sup>TH</sup>

## ACTIVITY OF THE MONTH – NOVEMBER

### Activity Details –

- Activity Name – **Symposium**
- Topic – **Judicial Activism v. Judicial Restraint**

### What is a symposium ?

A symposium is a meeting or conference for the discussion of some subject involving several speakers . They deliberate on some issue and try to work out solutions through effective collaboration of facts and opinions .

It brings out some essential skills for a student , such as communication , debating , negotiating , decision-making and most importantly confidence building .

### Activity Road Map –

- Students have to research about their allotted cases (find the same attached in next page) .
- Next , they have to draft their speaker’s notes and prepare themselves for the final presentation .
