16-10-23	A FARMER THE MAGICIAN
	<p>FARM TRIP- Children are active learners as they are constantly making connections with the world around them. With an innate desire to learn and explore , field trips are the perfect way for children to learn outside the classroom settings and get the opportunity to visualise, experience and made connections with the nature as NATURE IS THE BEST TEACHER.</p> <p>Farming is educational and teaching our kids where exactly their food comes from is a lesson itself. Our little preschoolers visited a farm and saw the hard work and efforts that goes into planting , growing and harvesting. The</p>
