

SESSION - 2023 -24

Date	Description
19th SEPTEMBER	<p>In a heartwarming display of cultural celebration and culinary creativity, the tiny tots of BBPS Manesar came together to celebrate Ganesh Chaturthi by making modaks, the beloved sweet treats dedicated to Lord Ganesha. The event commenced with an introduction of Lord Ganesha and the significance of Ganesh Chaturthi. The main event commenced with the children wearing tiny aprons and chef hats as they eagerly participated in making modaks. They moulded and shaped the sweet treats using various ingredients. The young chefs then showed off their artistic skills by decorating their modaks with colourful edible designs, turning each modak into a unique masterpiece. The celebration included a short prayer session during which the children offered their homemade modaks to a small idol of Lord Ganesha, symbolizing their love and devotion. The event was designed for the development of fine motor skills, creativity, and a deeper understanding of cultural diversity among the children.</p>
