About the session:-

On October 9, 2023, the dynamic students of class 11th orchestrated a remarkable Mock Parliament session, delving into the intricate workings of the Indian Parliament. The event was a testament to their enthusiasm and commitment to understanding the democratic process. Throughout the session, pertinent issues were passionately debated, new ministers were introduced, and resolutions were meticulously crafted.

This immersive experience showcased various parliamentary procedures, including the solemn oath-taking, the introduction of new ministers, the rigorous Question Hour, and the insightful Papers laid on the table. The atmosphere buzzed with energy as breaches of privilege were discussed, attention was called to critical matters, and legislative bills were presented for consideration. The session reached its pinnacle with the daring move of a no-confidence motion, highlighting the students' depth of engagement.

Beyond the procedural intricacies, this simulation served as a crucible for nurturing essential life skills. It fostered a sense of harmony among the students, teaching them the nuanced difference between constructive criticism for development and disrespectful critique. Moreover, it instilled vital skills such as leadership, public speaking, and negotiation, paving the way for these young minds to become responsible, informed citizens.

This initiative not only provided a profound insight into the day-to-day functioning of the Indian Parliament but also offered a platform for students to refine their debating skills and learn the art of reaching conclusive decisions. Their enthusiasm and active participation made this Mock Parliament an enriching experience,

demonstrating our school's commitment to experiential learning and practical knowledge. This event underscored our dedication to nurturing awareness and fostering a spirit of active citizenship among our students at Bal Bharati Public School Manesar.
