

CLASS 3 - Acrostic Poem

Grade 3 students recently engaged in a delightful acrostic poem activity. Guided by clue words provided by their teacher, the students creatively composed poems that reflected their imaginative interpretations. This exercise not only honed their language skills but also encouraged them to express ideas in a structured and artistic manner. The classroom buzzed with the poetic energy of these young wordsmiths as they crafted short yet impactful verses, turning the session into a harmonious blend of learning and creativity.
