

**Activity name: PLUNGE AND  
TRANSVERSE Class: IX and X  
Date: 20.04.2023**

**Description:**

**"The Earth is what we all have in common." – Wendell Berry.**

**Earth Day is an annual event celebrated around the world on April 22 to demonstrate support for environmental protection. An activity – ‘Documentary on Earth Day’ was made by students of Classes 9 & 10. This activity helped students understand environmental issues, how they impact the planet as a whole and what can be done to prevent them. Let’s wish for a planet where all living beings coexist in harmony, where natural resources are used responsibly and where every individual takes action to protect and preserve our Earth for generations to come.**
