

SESSION - 2023 -24

Date	Description
22nd January	Dress up with your imagination
	<p>Role play activity gives students the opportunity to assume the role of a person or act out of a given situation. It is an effective way for children to make sense of the world around them. Role play activities support in developing good language skills, give sense of real life situations , develop social skills as they collaborate with others, learn empathy and explore, investigate and experiment the real life scenarios. Pre schoolers expressed their ideas and feelings in a relaxed environment , while role playing about different community helpers, explaining their work and tools.</p>
