

CLASS 1 -Exploring India's Beauty:

In a lively classroom session, small children embarked on a journey to discover India's picturesque wonders. They enthusiastically crafted drawings of the tricolor National Flag, each stroke filled with pride and admiration. With twinkling eyes, they learned about the majestic Banyan tree, the graceful Lotus flower, and the vibrant Mango fruit, symbols of India's rich biodiversity. Amidst giggles and curiosity, they listened attentively to tales of Mahatma Gandhi, the Father of the Nation. Through their innocent exploration, these young minds celebrated the essence of India's diverse culture and heritage.
