

Class 2 – FLICKY TALES

Lights, camera, language! In this English class activity, students took a cinematic journey, immersing themselves in an English movie's plot, characters, and dialogues. After the film, the real fun began as students step into their favorite characters' shoes, acting out scenes and expressing thoughts in English. This dynamic approach enhanced language skills while fostering confidence and public speaking. It was a chance for students to unleash their inner thespians, making language learning entertaining and memorable.
