

SESSION - 2023 -24

Date	Description
15th December	<p>Bal Sabha activity was organized on -Trash to Treasure - for Pre- Primary students which helped them to understand the importance of many things in their day-to-day life. Like - they got to know that they should take only as much food as they can eat. They understood the importance of separate waste bins in the class so that the fruits peel can be recycled as manure for plants.</p> <p>They also understood that they have to minimize the use of plastic items as it could be harmful for our planet earth.</p> <p>Now they all are aware of that Refuse, Reuse and Recycle is the mantra of 'Go Green'.</p>
