**Description:-**

An SDG and Leadership Program Summit was held for students of classes 6 to 8 in school. The students were trained on Day 1 for the various competitions like Speaker Super Hero, Group Discussion and Turncoat Challenge.

Class 6 students learnt about the key skills they must have to pursue their aspirations and presented the same in front of the judges.

Class 7 students were trained for Group Discussion and later participated in the competitions on various themes.

Class 8 students participated in a Turncoat coat challenge where they were given topics prior and they came up with the solutions to such global issues.

Overall the students participated with full enthusiasm and determination. The winners and participants were all facilitated.
