

The Digital Storytelling Workshop was held on April 30th, 2024, for the students of grades VI-VIII. The workshop was led by award-winning filmmakers Bidisha Roy Das and Priyanjana Dutta. The workshop aimed to enhance students' digital storytelling skills. The students were introduced to the use of digital tools and techniques for storytelling. The students were guided in crafting compelling narratives using digital mediums like videos, animations, and presentations.

The workshop offered an engaging and interactive session and witnessed enthusiastic participation from students in grades VI-VIII. Students actively interacted with the facilitators, asking questions and expressing their ideas.
