SGMUN 2024

As the curtains fall on the Synergy 2024 Model United Nations at BBPS Manesar, we reflect on an event that was nothing short of extraordinary. With the theme “Vox Conicuta, Futura Formans,” which translates to “United Voices, Shaping the Future,” we witnessed the convergence of over 200 delegates in a symphony of debate and diplomacy.

The event was not just a platform for discussion but a celebration of diversity, intellect, and the relentless pursuit of excellence. Dr. Vijay Kumar Verma graced the event as the chief guest. His address to the assembly was not only inspiring but also a call to action for the youth to take the reins of change into their own hands.

The backbone of this monumental event was the unwavering support and visionary leadership of our Principal sir, Mr. Harsh Kumar at Bal Bharati Public School, Manesar. His belief in the transformative power of dialogue among young minds was the guiding light that led to the event’s resounding success.

We are deeply grateful for the invaluable contribution of our Vice Principal ma’am, Ms. Akanksha Sehgal Setia whose efforts have enriched the experience for all participants.

The secretariat, with its diligent planning and execution, ensured that every session ran with perfection, while the secretary-general’s adept leadership navigated the event through the tides of intense discussions and debates.

The seven dynamic committees and their thought-provoking agendas were particularly remarkable. Throughout the conference, we witnessed intense debates, deliberations and collaborations to work out impactful resolutions that have definitely helped each one of us to explore the innovative solutions and varied aspects of global issues.

Each of the 200 delegates added a different perspective and created a wide collage of ideas.

The United Nations General Assembly delved into the final frontier, space, debating the ethical and practical nuances of exploration and resource utilization beyond our planet.

The G20, with its double delegation, tackled the pressing issue of nuclear proliferation in the Korean Peninsula, a topic that holds significant implications for global peace and security.

The Lok Sabha, reflective of India's vibrant democracy, scrutinized the alleged financial improprieties within the echelons of political power, advocating for a future where transparency reigns supreme.

The United Nations Human Rights Council faced the arduous task of untangling the complex humanitarian crisis in Eastern Europe, seeking pathways to peace and the safeguarding of human dignity.

The Indian Premier League committee examined the IPL Mega Auction 2024 through a multifaceted lens, considering the economic impacts, team strategies, and the overarching influence of sports on society.

As we honor the hard work and dedication of the delegates, we also celebrate the array of awards and recognitions that were bestowed. These accolades are a testament to the commitment and intellectual rigor that the delegates brought to the table. In conclusion, the Synergy 2024 MUN was a beacon of hope and a testament to the power of collective voices.

Synergy was a representation of a ‘mini-world’ out of the larger perspective which proved instrumental in establishing some essential skills for our future diplomats. It proved that when we come together, dialogue is not just about finding common ground but also about elevating our collective consciousness. As we move forward, let us continue to engage, discuss, and shape the future—one united voice at a time.

The first ever edition of the Synergy Model United Nations would not have been possible without the support of our Principal Sir Mr. Harsh Kumar and Vice Principal Ma’am Ms. Akanksha Sehgal Setia. Special thanks to our teacher coordinators and the secretariat who worked tirelessly day and night for months on end.
