MAY	TRIP TO SOLAN
	<p>The Class 3 students went on an exciting trip to Solan, a charming hill station in Himachal Pradesh. This trip blended adventure, learning, and fun, providing a holistic experience for the young explorers.</p> <p>The journey began with an exhilarating trek through Solan's lush green trails, where the students, guided by teachers and local experts, hiked up gentle slopes and through dense forests, boosting their physical endurance and appreciation for nature.</p> <p>Various activities, such as nature walks, team-building exercises, rock climbing, river crossing, descending, engaged the students. These activities taught them about environmental conservation, cooperation, and creativity.</p> <p>A key focus of the trip was time management. The students followed a structured schedule, balancing trekking, activities, meals, and rest, learning to manage their time effectively.</p> <p>The visit to Solan was a valuable learning experience, combining adventure, education, and essential life skills, leaving the students with cherished memories and valuable lessons.</p>
