

## SESSION - 2024 -25

Month	Description
JULY	<b>MODELS OF DIFFERENT TYPES OF HOUSES</b>
	<p><b>To utilize the summer holidays in the most constructive way, The students of Grade 2 prepared small models of different types of houses they visited during holidays like houseboat, tent, apartment, bungalow etc. This activity encouraged 'learning by doing' which is necessary for the holistic development of our children. The students made beautiful and colourful houses and spoke few lines about them in class.</b></p>
