AUGUST	<b>JANMASHTAMI CELEBRATION</b>
	<p>May the playful spirit of Lord Krishna inspire us to spread joy and positivity wherever we go.</p> <p>The Pre-primary department at BBPS Manesar came alive with the joyous celebration of Janmashtami, marking the birth of Lord Krishna. The tiny tots of Bal Vatika classes dressed as little Krishnas and Radhas added a divine charm to the occasion.</p> <p>Children narrated stories from Krishna's life, highlighting his playful and miraculous deeds. This was followed by devotional songs and dance performances that captured the spirit of Janmashtami. The children enthusiastically participated in a "Matki Phod" (Dahi Handi) event, symbolizing Lord Krishna's childhood mischief of stealing butter.</p> <p>The celebration was not just limited to performances. The Pre-primary department organized various activities like decorating peacock feathers and Krishna crowns, allowing the young learners to explore their creativity. The event aimed to foster an understanding of Indian traditions and mythology among the children while providing them with an opportunity to showcase their talents.</p>
