

SESSION – 2024 -25

Month	Description
JULY	THE WORLD OF ANIMALS ACTIVITY
	<p>Animals play a significant role in the stability of the environment, ecosystem, and our lives. Keeping in mind an activity named “Adorable Origami” was conducted for the students of class II, made their favourite animal by simply folding an origami sheet into different shapes. They enjoyed a lot doing this activity in the class and also spoke about why a particular animal is their favourite .</p>

PIC-COLLAGE
